

# Safest and Most Direct Walking Route from Kenton County Parking Garage to OneNKY Center

**1. Start:** Garage at 220 Madison Ave, Covington, KY 41011

**2.** There are two ways to exit the garage:

**Stairs:** Head to the **northeast corner** of the garage to find the staircase. This leads directly onto **Scott Street**.

**Elevator:** Head to the **northwest corner** of the garage to find the **elevator**. This will take you to **Madison Avenue**. (Note: There is an elevator in the middle of the South wall, but that takes you to the TANK Transit Center, not to the street. **Do not use** that elevator.)

**3.** From either of those exits, head **north** toward **E. Rivercenter Boulevard**.

**4. Turn right** onto E. Rivercenter Boulevard (which turns into **E. 2nd Street**).

**5.** Continue along **E. 2nd Street**, crossing under **Roebling Way** and walk past **The Gruff**, then turn right onto **Greenup Street**.

**6.** Follow **Greenup Street** south and the **OneNKY Center** and main entrance will be on your right past the building's parking garage.
